

FeltexForward

number fifteen

Create a warm energy for this season's winter with stylish colour mixes for decorative impact.

The splashes of rich colour in these collective palette's interact with muted hues to form creative drama but a relaxed vibe, comfort and warmth for your home.

Scarlet Bliss

Harmony

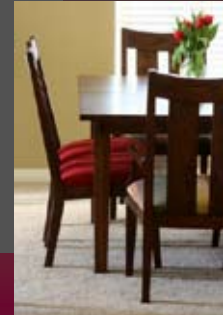

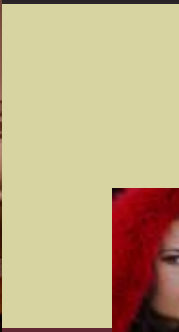

Imagination

Some companies follow trends. Others create them.

Welcome to the future with Feltex.

Scarlet Bliss

Fashionable colour mixes of raspberry reds, burnt oranges and rose corals merged with muted greys and recycled ivory tones mysteriously mingle to form a luxurious appearance.

Revamp and add some favourite pieces to the mix for a little creative nous.

Live this trend with Feltex carpet

To bring this look into your home, use these carpet styles to complete the *Scarlet Bliss* trend.

Carpet Directions

Drawing Board

At Feltex, our new carpet designs are drawn from the very design and style sources that inspire them.

The trends identified in this issue of Feltex Forward are already being explored by our design team. They're working to capture the essence of the Scarlet Bliss, Harmony and Imagination trends and incorporate them directly into our new designs coming soon.
