FASHION FLOORING

A new carpet is an easy way to bring fashion and style to your home. Now that it's the festive season and the guests are arriving, dress your home to impress with a new look from Feltex Carpets

What better time of year than summer to refresh and update your home? Guests are coming, you've got extra holiday time on your hands, and you can read all the magazines and do all the research required to make your home look amazing (just like you would any festive season outfit). Your floor is one of the first things your guests will notice when they walk into your home. A stylish new Feltex wool carpet on your floor is one way to make a great first impression. Don't be afraid

to experiment with bold colours and interesting textures on your floor. If you love beautiful and unique things in your wardrobe, you'll love Feltex carpets. The Feltex Classic and Reserve collections have a gorgeous range of colours, textures and designs to choose from to give your home a stunning individual style. And with the natural stain resistance of wool, your carpet will still look great post-festive season. So if you want to invest in serious home style these holidays, consider a Feltex carpet.
