

## Pullman Hotel Sydney Olympic Park, NSW

Developers chose Feltex to design custom carpets for the \$45 million, 5 star Pullman Hotel. In keeping with the sustainable design focus of the building, a Feltex pure wool carpet was specified, ensuring the Green Building Council of Australia (GBCA) and the Carpet Rug Institute (CRI) indoor quality standards for low volatile organic compounds (VOCs) were met.

The bold custom graphic designs in red and blue are complemented by furniture in similar colour palettes.

The lift foyer features a geometric patterned carpet in contrasting tones of brown.
